Artwork Requirements

When you are sending digital files to manufacture plates, it is important to include all the pieces necessary to output them correctly. Any missing fonts or graphics can result in incorrect artwork and a delay in turnaround time while the problems are resolved.

We accept business cards or letterheads but there is a fee to recreate artwork @ $75.00 mininmum per hour. We will do everything possible to match your font type from our font library, but there is not a guarantee we will havve it. All information you can provide is appreciated.

ACCEPTABLE SOFTWARE APPLICATIONS

- **Adobe Illustrator** (export file as EPS, convert text to outlines, no embedded tiffs, jpegs or gifs. All artwork must be vector artwork.
- **Adobe InDesign**
- **Adobe Photoshop** (acceptable if you have a 1 color design only. Save as a Tiffs in a high resolution 300 dpi or higher)
- **Corel Draw** (export file as eps.metafile or Illustrator / export as curves)
- **Microsoft Word** (For text only, no design work)
- **Quark Xpress**: Windows (save as a Mac version)

(We cannot accept PageMaker, Powerpoint or any WordProcessing Program files.)

FILE FORMATS
Send files as PDF or EPS. Please save all Photoshop files as TIFFS.

FONTS/OBJECTS
Convert text/objects to paths, curves, or outlines (*vectors are - text that becomes an object and no longer be edited as text).

ARTWORK REMINDER
Providing Screen and Printer Fonts is helpful if you have specific fonts for your logo.
